

Dear all,

Further to Friday's bulletin, and as part of our commitment to keep you informed, we are writing to update you of a change in the programme.

We have decided to increase the depth of the surface material in Phase 3, which will add strength to the new carriageway. This means that phase 3 will now complete on Friday 19th October 2018 at 7pm with phase 4 commencing thereafter.

We will send out an updated programme at the end of the week.
